

Technical Women's Organization (TWO)

Career Planning

Learn how to commit to your own ongoing professional development, personal health and well-being in order to manage the complexity and actions of YOUR LIFE.

Thursday, November 10, 2022

11:00AM EST - 12:00PM EST

Developing Self and Others

The Developing Self and Others presentation highlights DOT, FAA, and OPM resources that drive the personal and professional development of employees at all levels. Participants will learn a structured process for career development, which will empower a responsive and innovative workforce of the future.
